

Ergonomic Ball Transfer Surfaces are Omtec's Business!

Ball Transfer Surfaces May Be Literally Any Length!

Omtec Ball Transfers are available with hardened carbon steel, stainless steel or plastic balls.

Omtec Ball Transfer Surfaces designed for your task specific application!

Omtec Ball Transfers may be used in combination with all of the other Omtec Ergonomic Transfers

Omtec F1 Ball Transfer Conveyor Surfaces

Retro fitting existing conveyors is easy...
Just drop in the Omtec F1 Ball Transfer Table.

**Easy
Drop In
Installation!**

Omtec has standard or customized conveyor line accessory shelves for tools etc...

These shelves may be any shape or size.

They may be located in the center of the conveyor ball transfer table or to the side of the operator.

Omtec F1 Ball Transfers do not retract like the Omtec PBT Ball Transfers.

Non-marring
Delrin Balls
